

Son Anh Pham (“Sean”)

DOB: 11 July 1990 | son@esplorio.com

Education background:

- *Worcester College, University of Oxford (2009 –2012)*
Bachelor of Arts in Computer Science
- *Padworth International College, Reading, Berkshire, UK (2007 – 2009)*
A-Levels in Mathematics, Further Mathematics, Physics and Computing
- *Elementary/Junior High School in Vietnam (until 2007)*

Work experience:

- *May 2015 - Present:*
 - Chief Technology Officer at Esplorio Ltd, an Oxford-based travel tech startup.
 - I have come back to the beloved start-up company where I started out as an intern to become a co-founder and CTO
- *Sep 2012 - May 2015:*
 - Software Engineer, Webshop, Ocado Technology
 - Develop and maintain backend/internal systems for Ocado and Morrisons webshops
 - I had a hand in virtually all backend web systems that serve both our business users and customers. I was prominently involved in the recommendations engine project and the team’s internal monitoring dashboard.
 - Our tech stack involved Java (with Spring Framework and Jersey), Oracle SQL, Linux, HTML/CSS/javascript, etc. I am also known as the "Puppet master" for my Puppet work
- *June 2012 - Sep 2012:*
 - Technology Intern, Webshop, Ocado Technology
 - Develop a Meal Planner app for the Ocado website
 - I developed the app in Java, Oracle SQL, Struts and HTML/CSS/javascript
- *Dec 2011 – June 2012:*
 - Student Intern, Esplorio Ltd
 - Develop and maintain various components of www.esplorio.com website.
 - I mainly worked with python and Django, using couchbase as the backend database. Various smaller tasks had to do with HTML/CSS/javascript, elasticsearch and neo4j
- *June 2011 - Sep 2011:*
 - Summer Intern, Mobile Oxford (mOx) team, Oxford University Computing Services (OUCS)
 - I built a front-end Android client for the Mobile Oxford web portal
 - The application was built with Java, Android 2.1 SDK and the mOx's own API
- *Before 2011:* I did many part-time translation and interpretation jobs in both Vietnam and the UK, most notably video clips transcribing and editing for ActionAid UK 2009.

Achievements and awards:

- Award for Contribution to the Community (Padworth College 2009)
- Member of the Padworth team ranking 9th in Berkshire Youth Maths contest 2008
- Gold Medal, UK Senior Maths Challenge 2007 and Silver Medal in 2008
- 3rd place in the Vietnam National Contest of English Language 2007

Activities and interests:

- President of the Vietnamese Society in Oxford 2011-12
- Helper at various University and Department events in Oxford
- Great interest in Photography and sports, football in particular
- Building things with computer parts, Raspberry Pi & Arduino
- Thrillers, sci-fi movies, books and video games
